<b>Conditions for incoming students:</b>	<p>We mainly accept all nominated students, but for Schools/Depts. such as Medicine, Pharmacy, Nursing, Biology with laboratory or clinical work, sometimes there are no available places for all students, so students have to be nominated early enough. Also, students of 2nd and especially 3rd cycle are not automatically accepted, since our Professors have to plan their studies in a personal level in English, French or other language, and therefore spend more time and arrange for more specific work for each student.</p>
